Nourish has been invited to conduct a keynote presentation at the upcoming *NGOs in Excellence* Conference entitled: ***The Roadmap to Social Entrepreneurship.***

We will be highlighting the social mission and impact of **Nourish** as an innovative social enterprise in Trinidad & Tobago, while educating participants about the fundamentals of social entrepreneurship.

War on food waste!

(Please **CLICK** on video to watch.)

Here's a little glimpse of how perfectly good food is trashed even before it reaches the market or grocery store.

This is why *Nourish* exists! We save perfectly good that can't be sold and get it straight to charities that serve the hungry--doing our bit to curb these huge social and environmental problems.

France leads in becoming plastic-free

France has become the first country to ban all plastic cups, cutlery, and plates.

The French Government recently passed a law (effective in 2020) to ensure that all disposable wares are made of biologically-sourced and compostable materials.

We salute France for leading the way in tackling climate change!
